PLAY THE DAY AWAY

Unlike land-based holidays, you'll never, never, never hear "Are we there yet?" aboard a Carnival cruise. With 45+ activities every day to try your hand at, you won't have time to get bored!

To find out about all the epic activities, take a deep breath and plunge into the 'Explore' section of carnival.com.au

FUN IN THE SUN

The current record for Green Thunder: top to bottom in 4.6 seconds.

Ahhhhh... the great outdoors. Clear blue skies. Calm seas. The fresh salt air. And the rumble from Green Thunder. Of course, if the fastest, steepest waterslide at sea is a bit too extreme, there are plenty of other activities to keep you entertained.

Green Thunder

Carnival WaterWorks™

There's only one thing better than an incredible waterslide. Four incredible waterslides! Get ready for the twists and turns of Carnival's Twister Waterslide™, or take the plunge down a 10-metre vertical drop on Green Thunder. And between rides, why not watch the kids get soaked in the mini racer-slides or by the giant tipping bucket in our watery wonderland SplashZone?

Smile while you sweat

For those who want to put their feet up, then down, then up again, we've got just the thing. Our state-of-the-art, fully equipped Fitness Centre has everything you need to burn, firm and sculpt, as well as a variety of classes and an outdoor jogging track with unbelievable 360° views.

Game on

Dodge some balls, score some goals and shoot some hoops on our multi-purpose Sports Court. And if that still isn't enough, take on our nine-hole Mini Golf Course.

Jogging Track

LET'S GET PHYSICAL

Carnival's Twister Waterslide™

Go for a spin or twelve on the ocean's most scenic slide.

Green Thunder

Plummet up to 65 km/hr, and see if you're not just a little green at the bottom.

Fitness Centre

A state-of-the-art gym, with yoga* classes and even boot camp* out on deck.

Mini Golf

The game might be mini, but the views sure aren't.

Sports Court

Whether it's dodgeball, basketball or soccer, the ball's in your court.

Jogging Track

A 360° ocean view that'll take your breath away (if you have any left).

AND... RELAX

Recent research suggests you'll feel more alert after a short nap than you would after a coffee.

There's nothing like a Carnival cruise to get your spirits soaring. Reconnect with your partner over cocktails in the Serenity Retreat. Or take some time out at one of our island destinations. You'll soon discover that hanging with your other half is double the fun.

From sheer serenity

Welcome to our Serenity™ Retreat, a child-free area where you can soak up the sun, relax in the spa, order your favourite cocktail from the bar and enjoy the tranquil setting. So ease into a daybed and check out the panoramic water views. Or lay back in a hammock with a cocktail and just check out.

To total purity

With facials, massages, pedicures and more, Spa Carnival™* has just what your body wants: a little well-deserved pampering. And if you like it hot, you'll love our sauna and steam room, where your worries simply melt away.

Island unwinding

Maybe it's the pristine white sand between your toes, maybe it's the crystal clear water lapping at your feet; but once you step onto your exotic island destination, it doesn't take long to feel totally and utterly unwound.

Golden hour

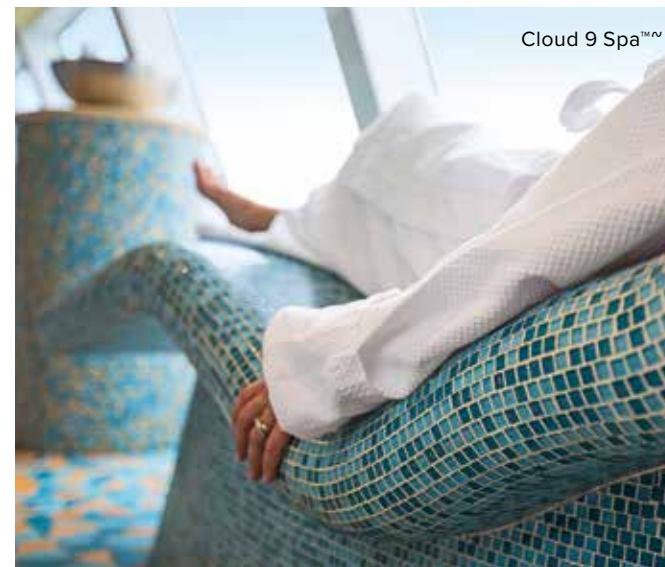

After a day ashore, there's nothing better than heading back to your home away from home. So slip on a robe and watch the sunset from your own private balcony. Saying goodbye to an island paradise can be hard. But relax, you'll be saying hello to a brand new one tomorrow.

- 9 – 11-year-olds are the big fish – the Sharks – who really sink their teeth into playing Marine Life Trivia, creating a giant ocean mural and scoring big with games and sports competitions.

EXPLORE ASHORE

Each stop is the start of even more fun. Roam pristine beaches on horseback, swim or snorkel the crystal seas, explore local villages and cultures, or shop 'til you drop with family or your significant other. Where will you find your fun?

NEW CALEDONIA

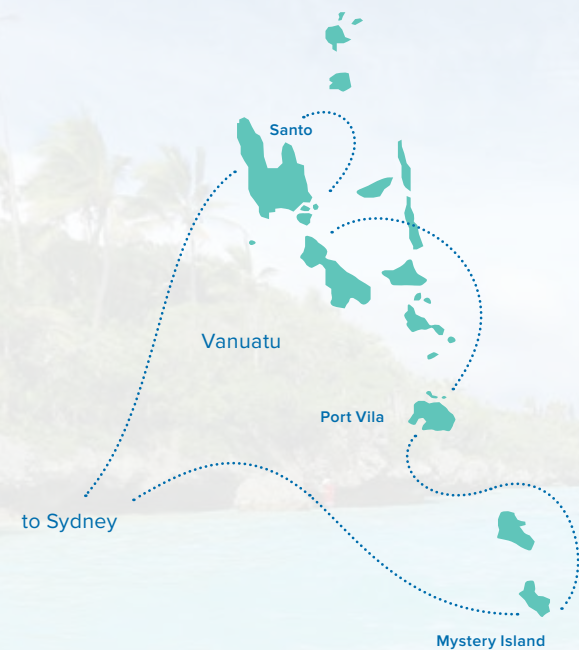

New Caledonia is a tropical playground. Long, pristine beaches are backed by cafés and bars, while the stunning turquoise waters provide an irresistible lure for snorkellers, swimmers or those who just want to relax in paradise.

There's a huge lighthouse on Amedee Island, that the French put there by mistake!

VANUATU

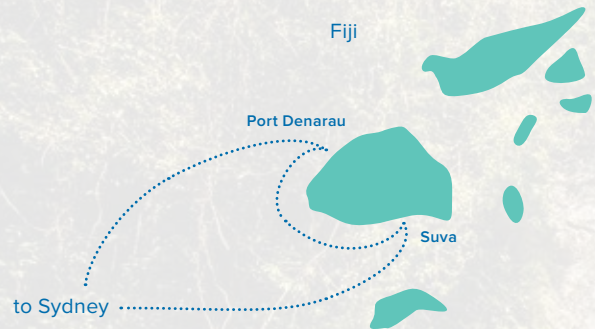

If we had just two words to describe Vanuatu, they would be Wet and Wild – and not just because it's the name of the water park in Port Vila where you can go zorbing. The waters are so inviting, it won't be long before you dive in, while the wild, rugged scenery of the deserted Mystery Island is simply breathtaking.

Here, pigs are a symbol of wealth, especially the ones with round tusks!

FIJI

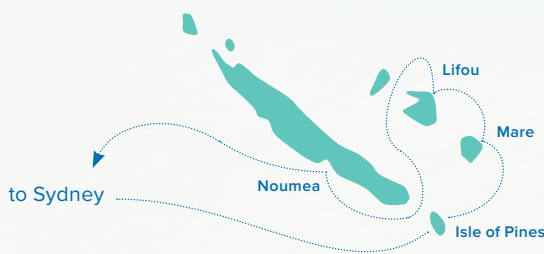

We don't know if smiling is contagious. But it's easy to think so when you visit Fiji. After cascading waterfalls and meeting a real-life Fijian warrior, bargain-hunting in Suva and the friendly bula greeting you get from locals, it'll be a long time before you can wipe the smile from your face.

In Fijian villages, only the chief is meant to wear a hat and sunglasses.

FUN SIZE CRUISES

Feel like you need a holiday in between your holidays? We've got the perfect solution. All the fun of a Carnival cruise in a smaller package. Just the right size to not need an excuse.

CELEBRATE AT SEA

Every day is better on a Carnival cruise and celebrations get special treatment. So you can look forward to extra fun when you sail with us.

Australia Day

We take care of the all-day BBQ so you can kick back by the pool. There's an all-ages game of cricket, Australian-only karaoke, trivia and a toast or two to our great country.

New Year's Eve

We're the captains of fun when it comes to New Year celebrations. So grab the party poppers and get set for a midnight you'll never forget. And don't worry. We won't hold you to any of your resolutions.

Easter

Hop on board for Easter and enjoy some school-holiday fun with the family. We've got your chocolate cravings covered with a boat-load (get it?) of treats in store.

Halloween

We make sure Halloween is more treat than trick. With dance parties, costume contests and candy, candy and more candy, you'll enjoy a spook-tacular time on the high seas.

Christmas

Imagine celebrating Christmas without having to lift a finger. Enjoy a delicious feast with all the trimmings and a winter wonderland in the atrium that includes real snow. And Santa knows exactly where to find us, so no-one misses out.

Anniversaries

If you've got a special anniversary or big birthday coming up, celebrate with a Carnival cruise. Decorate the cabin for the special occasion, book dinner for two at Nouveau Restaurant or order a bottle of bubbly to your room. Cheers.

Mad Hatter's Tea Party

When booking online or via our call centre, the following fees apply to credit cards: 1.1% for Visa/Mastercard and 2.3% for AMEX.

Travel insurance

We strongly recommend you purchase appropriate travel insurance at the time you pay your deposit. If you do not purchase travel insurance, you may not be able to recover cancellation charges, medical costs, repatriation and other expenses that may arise if things do not go according to plan. Cruise itineraries are not guaranteed

Many factors affect our ability to provide any particular itinerary. These include weather, mechanical difficulties, civil unrest or other unforeseen circumstances. We agree to use reasonable endeavours to provide a cruise in accordance with our published schedules and itineraries. However, we do not guarantee itineraries and they do not form part of your contract with us.

Travel restrictions and rights of the Captain

You are responsible for ensuring that no travel restrictions apply to you. If police or any other authority in any jurisdiction notify us of, or we otherwise become aware of any matter that reasonably causes us to believe your presence on board presents a risk to your own health or safety or the health and safety of other guests and crew, we, or the Captain may deny you boarding and may refuse or cancel any bookings from you. A full refund will be provided to any guest denied boarding on this basis. Once the cruise has commenced, if a guest seriously affects the safety, well-being or enjoyment of themselves or any other person on board, the Captain has the right to confine, sedate or disembark the guest. In such cases, we will not provide a refund and we are not responsible for any expenses including your return home. While the Captain will always act reasonably in these circumstances, you accept that the safety, well-being and enjoyment of everyone on board comes first.

Your cruise contract

Your booking and travel on your Carnival cruise is subject to Carnival's cruise contract. You will find the Terms and Conditions of the cruise contract at carnival.com.au/au-legal-notice/ticket-contract or by calling 13 31 94 from Australia or 0800 442 095 from New Zealand, to request a copy.
