

## Carnival Cruise Line Announces First Sailing Out of Australia on 2 October 2022

**SYDNEY, 6 May 2022** – In exciting news for cruise fans, Carnival Cruise Line today announced its first cruise back in Australian waters in over two years, with the cruise on sale now.

Departing from Sydney on 02 October 2022, guests on board will have the opportunity to reacquaint themselves with the fabulous Carnival Splendor on this three-day getaway cruise.

With over 45 onboard activities to explore including the exhilarating Green-Lightning thrill-slide, family-friendly shows, delicious dining experiences and more, Carnival Splendor's first Australian cruise in over 930 days is the perfect sampler to reignite your love for cruising.

On the cruise, Carnival Cruise Line Australia Vice President, Kara Glamore said: "Thanks to a scheduling availability, we're extremely pleased to welcome guests back on board Carnival Splendor earlier than expected.

"Splendor's departure from Seattle earlier this week marked the restart of the entire Carnival Cruise Line fleet, so it's great that she will be kicking off our season in Australia ahead of our 10th Aussie birthday in October."

Carnival Splendor's three-day cruise departs Sydney on 02 October 2022 and fares start from \$437 AUD per person twin share interior. For more information and bookings call 13 31 94, see your travel agent or visit

**About Carnival Cruise Line:**

Carnival Cruise Line is the World's Most Popular Cruise Line®. Carnival looks forward to resuming operations in Australia as a two-ship market from Sydney and Brisbane. Carnival Splendor will return to her home port of Sydney, with exciting details on Carnival's Brisbane-based ship to come at a later date. Designed with fun in mind and featuring over 45 activities to enjoy each day, Carnival offers families and couples fun, memorable holidays at great value.

The health and safety of Carnival's guests is the utmost priority. As such, the actual cruise offerings may vary from the descriptions and images displayed, while Carnival assesses the enhancements of its onboard health and safety protocols in light of COVID-19.
